

Health Equity Seminar Series: September 6, 2019

The Cornell Center for Health Equity sponsors monthly Health Equity Seminars alternating between the New York City and Ithaca campuses. This forum is intended to update Center members on each others' work and provide an opportunity to obtain multi-disciplinary input on works in progress. Share your early ideas, design dilemmas, methodologic innovations, plans to address reviewer concerns, and more on topics related to health equity research. Each session will be simulcast via webinar for remote participants.
